24. novembar

Beograd

LOCATION AND DATE:

BEOGRAD 24.11.2024.

Children's Cultural Centre of Belgrade

- **Green Energy Dance Tour** represents a new kind of festival, where through dance and competitive spirit we draw attention to the environmental problems we live with, we encourage the players to progress and work on themselves, and we all contribute to the preservation of nature together. In order to achieve this, **GREEN ENERGY DANCE TOUR** introduces **2 new dance disciplines**.
- First is - **GREEN ENERGY DANCE**. This discipline is unique for the Green energy dance tour festival, and in it, all ages and categories (from solo points to formations) will compete with each other, with the same concept - protection and preservation of nature, i.e. environmental message.
- The second one is - **DANCE FOR THE FAMILY**. In order to improve the whole society and the family as its basic cell, this category will promote family values through a dance that the children will perform together with their parents. As such, the discipline is under the auspices of the **MINISTRY OF FAMILY WELFARE AND DEMOGRAPHY**, and participants in this category will be exempt from registration fees and the performances will not be of a competitive nature (all ages, categories and disciplines can participate), and every effort in this direction will be rewarded with medals, diplomas and cups.

The competition is OPEN for all clubs, countries, associations, dances and dance lovers.

PRIZES:

- Medals and diplomas for all participants.
- Trophies from 1st to 3rd place (group, small group, formation)
- Large medals and diplomas (solo, duo/trio)
- A special prize is awarded for the discipline Green Energy Dance and Dance for Family.
- Cash prizes for the best solo, group and formation!

The jury of the Festival is made of experts and choreographers from the country and abroad.

- **Green Energy Dance Tour** predstavlja novu vrstu festivala, na kojima kroz ples i takmičarski duh skrećemo pažnju na ekološke probleme sa kojima živimo, podstičemo igrače da napreduju i rade na sebi, a svi zajedno doprinosimo očuvanju prirode i podizanju svesti o problematici savremenog života. U tom cilju festivali **GREEN ENERGY DANCE TOUR** uvode **2 nove plesne discipline**.
- Prva je - **GREEN ENERGY DANCE**. Ova disciplina je jedinstvena za Green energy dance tour festival, a u njoj će se međusobno takmičiti svi uzrasti i kategorije (od solo tačaka do formacija) koje imaju isti koncept- zaštitu i očuvanje prirode, tj. ekološku poruku.
- Druga je - **PLESOM ZA PORODICU**. U cilju unapređenja društva kao celine i porodice kao njegove osnovne ćelije, ova će kategorija promovisati porodične vrednosti kroz zajednički plesni nastup dece sa svojim roditeljima. Kao takva, kategorija je pod pokroviteljstvom **MINISTARSTVA ZA BRIGU O PORODICI I DEMOGRAFIJU**, te će učesnici u ovoj kategoriji biti oslobođeni kotizacija i nastupi neće biti takmičarskog karaktera (mogu učestvovati svi uzrasti, kategorije i discipline), a svaki će trud u ovom pravcu biti nagrađen medaljama, diplomama i peharima.

Takmičenje je OPEN za sve klubove, zemlje, saveze, ljubitelje igre i plesa.

NAGRADE:

- Medalje i diplome za sve učesnike.
- Pehari od I do III mesta (grupa, mala grupa, formacija)
- Velike medalje i diplome (solo, duo/trio)
- Specijalna nagrada se dodeljuje za discipline Green Energy Dance i Plesom za porodicu.
- Novčane nagrade za najbolji solo, grupu i formaciju!

Žiri Festivala je sačinjen od stručnih lica i koreografa iz zemlje i inostranstva.
